

## Corporate Sponsorship Opportunities Fall 2011 and Spring 2012 Seasons

White Clay Soccer Club, founded in 2004, draws youth participants from Southern Chester County in the Avon Grove, Oxford, and Kennett Square School Districts, as well as Northern Delaware and Northeastern Maryland. White Clay Soccer Club strives to field competitive boys and girls teams that travel throughout the region. Our mission is to develop each player individually while having everyone learn the value of teamwork and community. We are member funded and run by volunteer efforts. Our club has grown dramatically over the last seven years and now has 14 teams and almost 200 players. We are seeking Corporate sponsors to partner with us in our efforts to expand our positive impact on our community.
